RE: CARMEL OFFIE

During the course of a physical surveillance in Washington, D. C., of captioned individual, the following observations were made:

On the evening of July 17, 1950, Offie left the Hotel Statler and walked north on Sixteenth Street. He was observed speaking with an Army or Marine enlisted man who was also walking along the street and who apparently was a casual contact. After speaking briefly with this enlisted man, Offie proceeded to Seventeenth Street and entered Mickey's Grill at 1117 - 17th Street, N. W. Offie remained at Mickey's Grill for several minutes, drinking a beer and reading a newspaper. He then proceeded to David's Bar, 1123 - 17th Street, N. W., where he spent several minutes looking at a telephone directory. He was not observed to make any contacts either at Mickey's Grill or David's Bar. Both of these establishments have been reported by informants to be frequented by individuals known to be homosexuals.

Upon leaving David's Bar, Offie proceeded to Connecticut Avenue. In crossing Connecticut Avenue, he spoke to a young man who did not stop. Upon arriving in front of the Mayflower Hotel, Offie engaged a taxi cab and was driven to his residence.

The above is forwarded for your confidential information and not for further dissemination.

Pursuant to the Bureau's request, a copy of subject's photograph as well as a copy of the report of Special Agent [redacted] dated August 2, 1950 in the above captioned case are being furnished to the New York Office with this letter. A current report in this matter has been designated for the New York Office.

(b1)

A check of the records of the Recorder of Deeds for the District of Columbia reflects a deed dated October 18, 1948 by which GOLWYN ORDWAY, Jr. and CHRISTINE S. ORDWAY, his wife, as tenants by the entirety conveyed to CARMEL OFFIE, unmarried, the premises at 3105 Woodley Road, N.W., designated as Lot 27 in square 2103. This deed was recorded on November 8, 1948 in Liber 8863, Folio 14, and was returned to Boss and Phelps Real Estate Company. The recited consideration was \$10.00; however, Federal transfer stamps in the amount of \$38.50 were attached to the deed which would indicate that the property was sold for about \$34,000 since fifty-five cents in stamps are required for each \$500.00 of consideration. It was also reflected in Liber 8863, Folio 16 that on November 4, 1948 OFFIE executed a Deed of Trust to the Union Trust Company as Trustee for the Riggs National Bank to secure a personal note in the sum of \$19,500 at four per cent to be paid in equal monthly installments of \$156.00. The Deed of Trust covered the property at 3105 Woodley Road, N.W.

NOTED 9 OCT 9 1950

Inside LABOR By VICTOR RIESEL

BEHIND CLOSED DOORS in key Washington bureaus, a special \$10,000,000 "truth center" is being created. Then, for the first time, we'll have experts retorting to the enemy's charges that we're sending our GIs out to "butcher women and children" for some phantom of "Wall Street."

These specialists will run a labor propaganda agency for a high command, consisting of U. S. State and Labor Department executives. They'll heave in everything they've got—like labor movies to show that we're peaceful folk, such as Jimmie Petrillo's sonorous short showing our college kids listening to good music at the Tanglewood festival—before they cover their crew haircuts with war helmets.

We'll use the radio, secret missions, skillful propaganda, comic books now being prepared by the State Dept., everything available to get American labor's story across to Asia as quickly as possible.

We must move swiftly, for, as Dick Deverall, the AFL's special representative in the Orient, reported today, "we are losing everywhere in Asia."

This propaganda center will hammer away at one momentous theme: Labor is free in America!

labor's life is better in America than anywhere else on earth; labor's wages here are the highest; only the extreme radicals inside labor are in disrepute, the others, such as Norman Thomas' Socialists, are unhampered, respected, and, in fact, head some of our most influential unions.

For almost a year, the State and Labor Departments have been working on this international network of labor information centers. Now the blueprint for propping up our propaganda, aimed at the world's workingmen, is almost drafted. It calls for a central staff in Washington, directed by special "information" agents in the Public Affairs Office of everyone of our embassies.

All 220 State Department officials put it.

There's a vast and almost unbelievable amount of ignorance about us, especially in Asia. So there's a general education job to

do as well as counter-propaganda tactics. Believe me, before we can tell them how wonderful we are, we really must tell them who we are.

If you don't believe we need American laborites to set our Asiatic neighbors right, read this belch by the Chinese International Service, out of Peking. The broadcaster is introduced as Chiang Wei-lin, "a model worker."

"The U. S. Government hates to see the new China growing on the road of reconstruction under the leadership of the Chinese Communist Party, but we shall not tolerate the invasion of our territory and we are confident that we shall stop them from doing so."

That came over the Chinese air on the afternoon of Aug. 30. We need no professional propaganda analyst of the Oriental mind to see immediately that Peking is preparing its people for the dispatch of those 200,000 veteran Chinese troops down the Korean peninsula against our GIs—some of whom were the bucolic heroes of Petrillo's film of harmonic joy in the Berkshire Hills only a year ago.

That same broadcast said: "Many pledges of support were voiced in the capital for Foreign Minister Chou-En-lai's protest against the provocative invasion of Chinese territorial air by the American Air Force. Workers and student organizations pledged their support in all eventualities."

"Workers of Peking's steel, iron, munitions, power and other plants recorded their indignation at meetings which were held immediately after the news of the American air attack was received. Chow Moon, vice-president of the Peking Trade Union Council, said: 'We workers will back up our support with a general movement to increase production!'"

This is war production, brother, to throw at our armies. That's how the enemy whips up its workers. Now our steel workers, railway brotherhoods, all our people will have a chance to reach the "indignant" Chinese and tell them they're really fighting fellow workers in America who want only the true peace.

[REDACTED]

In this connection, the Evening Star newspaper of September 8, 1950, in the column written by BETTY BEAL, there appeared the following information: "If there's a slump in local real estate, CARMEL OFFIE doesn't know about it. The former Foreign Service Officer, who spent most of his 17 years service in Europe and knows it like the palm of his hand, resigned two years ago to take up the study of law in Washington. He bought his Woodley Road abode from the GODWIN ORDMAN, JR. and asked FRANCES ROSSO, wife of former Italian Ambassador ROSSO, to decorate it for him, which she did, and very tastefully. Now he has purchased a house on Rowland Place which another Ambassador's wife will decorate for him. She is IRENA, the sculptress wife of JOHN WILEY, who recently returned from his last post in Iran and is awaiting his next assignment."

MR + MRS

"That word, however, gets around this town like lightning and that shelters must be as scarce as hens teeth, OFFIE will testify. He has been besieged with offers from would-be renters and as yet he hasn't even received title to the house."

A check made at the Office of the Recorder of Deeds has failed to reflect that up to the present time any deed has been put on record indicating a transfer of title of these premises to OFFIE. In connection with his purchase of his present home at 3105 Woodley Road, N. W., a check was made of the records of the Recorder of Deeds for the District of Columbia reflecting a deed dated October 18, 1948, by which GODWIN ORDMAN, JR., and CHRISTINE S. ORDMAN, his wife, as tenants by the entirety conveyed to CARMEL OFFIE, unmarried, the premises at 3105 Woodley Road, N. W., designated as lot 27, in square 2103. This deed was recorded on November 8, 1948, in liber 8863, folio 14, and was returned to Boss and Phelps Real Estate Company.

The recited consideration was \$10, however, Federal transfer stamps in the amount of \$38.50 were attached to the Deed which would indicate that the property sold for about \$35,000, since 55 cents in stamps are required for each \$500 of consideration. It was also reflected in liber 8863, folio 16, that on November 4, 1948, OFFIE executed a Deed of Trust to the Union Trust Company as Trustee for the Riggs National Bank to secure a personal note in the sum of \$19,500 at four per cent interest to be paid in equal monthly installments of \$156. This Deed of Trust covered the property at 3105 Woodley Road, N. W.
